

# Ideas for using Comic Life

There are many opportunities to integrate Comic Life into all curriculum areas.

1. Create a comic strip (based on a book or historical character or an original creation) – as an alternative to a book report
2. An original story
3. Classroom Yearbook
4. Personal Introductions
5. Science Lab Reports – (using a digital camera)
6. Cycles (life cycle, butterfly)
7. Story Re-tell (another point of view)
8. Inventions (Who, What, Where, When, Why and Effects on others)
9. Organizers
10. Story Ending Re-Write
11. Biography
12. Poem Explanation/Illustration
13. Field Trip Report
14. Travelogue, Travel Guide, or Itinerary
15. Historical Event Feature
16. Conflict Resolution Scenarios
17. Reports of all types – one or mutli-page
18. Calendar
19. Invitation
20. Historical Figures Report
21. Novel or Short Story Plot Line Analysis
22. Storyboard
23. Flyer
24. Project Model Reports (take digital photos of the project or process and drag into Comic Life)
25. Timeline (events or “day-in-the-life”, historical or sequences)
26. How-to or Instruction Sheets
27. Story Planning
28. Graphic Organizer
29. Picture Books
30. Character Study or Analysis
31. And so on....
